

# WEATHERDIAL FAX

**Product Code 0000**

To obtain any of the products, dial **1570-131-838** from your tone-dialling fax telephone handset. Follow the voiced instructions and use Product Codes from the list below. If you select more than one product, the system will give you a single code which you can use for that selection of products in future.

*Calls to Weatherdial FAX cost 178 cent per minute, VAT incl.*
