The Weather Observations Website (**WOW-ie**) of Met Éireann is part of the global WOW network of crowdsourced weather observations

View Real-time Temperature, Rainfall, Wind and more from Privately-Owned Weather Stations, Met Éireann stations & from National Meteorological Services around the world!

▼ WOWie, Dublin 9

▼ Ballybrittas, Co. Laois

▼ Corcloon, Co. Westmeath

▼ Dungarvan ACS, Co. Waterford

▼ Sherkin Island AWS, Co. Cork

- ▶ WOW-ie is a Weather Education & Data Comparison tool
- ▶ Ideal for Private Weather Station Owners, Schools & Businesses to participate and view their weather station data online & compare with a nearby official station\*
- ▶ View Archive of past weather observations on the WOW-ie map, on a Graph or Table and available for download

\*Met Éireann does not correct or review WOW data, hence incorrect values or missing data may occur, even from official stations. Met Éireann has partnered with the United Kingdom Met Office (UKMO) WOW website to provide WOW-ie
